

River Thames – river restriction

Culham Reach

Culham upstream weir stream to the confluence with the River Ock

Sunday 9 April 2017 – 8am to 6pm

Abingdon Head of the River

Directions for navigation and general information during this event:

- The navigation channel shall be established on the west, Abingdon Marina, left side of the river.
- Racing boats will be racing from the weir stream above Culham Weir to the confluence with the River Ock on the east, right side of the river. Appropriate areas along the course will be marked with navigation buoys.
- Regatta boards will mark the upstream and downstream extent of the course.
- Masters of all boats to maintain a safe speed and lookout between upstream end of Culham lock cut or Culham upstream weir stream and the confluence with the River Ock.
- All boats must be navigated in accordance with any instructions given from Environment Agency control points or patrol launches.
- Those in charge of boats should be aware that they are responsible for avoiding collision and should use all available means appropriate to the circumstances and conditions to decide if there is a risk of immediate danger and avoid it.
- Bathing is not allowed in the river on the course during the hours of racing.

N.B. All directions as to left bank and right banks are given looking upstream.

Barry Russell MBE
Harbourmaster
20 March 2017

PTO:

Nothing contained in these directions shall supersede those parts of the Thames Navigation Licensing and General Byelaws 1993 as may be relevant.

And Notice is hereby given, that it is provided by Byelaw 52 of the Thames Navigation Licensing and General Byelaws, 1993 that:

The master of any vessel shall except in an emergency not pass any boat-race regatta public procession or gathering for the launch of a vessel or any other event or function which may cause a crowd to assemble on or by the river nor station his vessel thereon in such a manner as would risk obstructing impeding or interfering with such boat-race regatta procession launching event or function or endangering the safety of persons assembling on the river or preventing or interfering with the maintenance of order thereon.

The maximum penalty for breach of the Byelaws is £1,000

Environment Agency, Kings Meadow House, Kings Meadow Road, Reading,
