

## Culham Lock Update 1<sup>st</sup> April 2021

Our Operations Management and Waterways department have explored all options and have found a temporary solution to repair Culham Lock. We are therefore pleased to announce that the lock will be open for navigation for the Easter Bank Holiday weekend.

Please be careful when navigating through the lock and do not enter the fenced off area.

We plan to carry out a full repair in the week commencing 12 April. The lock will need to be closed for several days in order to facilitate this. We will issue further information on this after the Easter Bank holiday weekend.

We wish you all a very happy Easter Bank Holiday weekend!
