Boveney Reach

M4 Motorway Bridge

Saturday 13 June 2020 and Sunday 14 June 2020

M4 Smart Motorway Construction – contingency dates

Directions for navigation and general information:

- This closure is in place to allow for unforeseen delays for the M4 motorway development. If required the River Thames in Boveney reach will be closed to all traffic between Bray Lock and Monkey Island on Saturday 13 June and Sunday 14 June 2020.
- Navigation is closed for health and safety reasons during daylight hours due to the lifting of motorway sections over the river for the construction of the M4 smart motorway.
- Navigation will be possible once the section has been secured and it is safe to do so, which is likely to be after the sun has set.
- Those in charge of all boats must observe any directions given by our Waterways Officers.
- Bathing or swimming is not allowed in the river between Bray Lock and Windsor Racecourse Marina.
- Please find additional information overleaf.
- Dates are subject to change due to the Coronavirus (Covid-19) pandemic.
- Further updated information will be distributed if required.

We apologise for any inconvenience this closure causes.
