

River Thames – lock closure

Sunbury reach

Emergency closure of Sunbury Lock

Friday 6 March 2020 until further notice

Directions for navigation and general information:

- Passage through Sunbury Lock is currently not possible due to a sunken boat in the main channel above the lock cut.
- As soon as conditions allow we will remove the boat and will update this notice.

We apologise for any inconvenience caused by the closure of the lock and thank you for your patience while we work to resolve the matter.
